### What's Happening At Westside?

Hello Parents, Happy June! Welcome SUMMER!!!! Thank you for sticking out during this trying times. We are hoping this will soon be all blown over and be able to be running in normal operations and letting you all come in and out of the building. Thank you for being so patient and working with us. Once some of these state restrictions will be lifted I plan on having water days during the summer heat as well as lots of fun popsicle snack days. Since the weather is getting warmer, we please ask you to switch out your child's extra clothes with shorts and t-shirts! Make sure all your children's clothes are labeled with first and last name so nothing goes missing!

**Congratulations to our Pre-K Graduates! I know the celebration wasn't everything we wanted but we are so proud of you and all of your accomplishments! We cannot wait to hear all the fun stories about Kindergarten you have to share with us. Reach for the stars, this is only the beginning!**

**POSTPONED AGAIN:** Parent/Teacher conferences due to COVID-19 will be rescheduled sometime in July. Teachers and management will be in touch with getting you signed up for a time slot if you are interested! We recommend everyone at least speaking with your child's teacher so you can see where they are developmentally and what we can do to help.

### Dates to Remember:

**Friday June 5th - Special Snack, Zoo Mix! YUMMY!**

**Thursday June 18th - Special Snack! Pigs in Mud!**

As always, thank you for allowing us the privilege of caring for your children. We value the trust you have in our academy and in us. Please let us know if at any time there is anything we can do to assist you!
