### What's Happening At Westside?

Hello Parents, Happy May Hasn't the warmer weather and days with some sunshine been awesome? Sunny skies and warmer days on the way! I want to personally thank you all for your support during the scare of the COVID-19. Please know Westside is taking extra precautions with your children to keep us all well in the building. We will continue parent drop off at the door until further notice. We know dropping off at the door can be hard on not only the children but you as the parent as well however, we appreciate you all helping in doing our part in "flattening the curve." This too shall pass and we will all be stronger than ever because of it!

Pre-K Graduation was planning for Friday May 29th. As of now, we will be postponing that. We will still be celebrating our graduates on that day with a classroom party as well as Tye-Dye Shirts and Cap decorations. Please make sure to provide your graduate a white t-shirt! The teachers will be sending out more information as the days get closer! We hope to have a grand celebration for these children going to Kindergarten by the end of Summer!

POSTPONED Parent/Teacher conferences due to COVID-19 will be rescheduled sometime in June. Teachers and management will be in touch with getting you signed up for a time slot if you are interested! We recommend everyone at least speaking with your child's teacher so you can see where they are developmentally and what we can do to help.

### Dates to Remember:

May 8th - Special Mother's Day crafts going home. Be on the lookout!

May 21st - Special snack for Memorial Day!

As always, thank you for allowing us the privilege of caring for your children. We value the trust you have in our academy and in us. Please let us know if at any time there is anything we can do to assist you!

Best, Mrs. Brittany & Ms. Haley
